STARS Community Creations

About Us

STARS are a non-profit organization who produce items for sale, and provide quality, valued day activities and work related opportunities for people with learning disabilities and/or mental health issues. Our aim is to help people achieve their individual outcomes and gain the skills for work and independent living. Providing respite for families, whilst providing social opportunities for individuals.

Referrals to STARS can be made by individuals, families and health care professionals. Please contact us to fill out a referral form and/or come to the centre for a visit.

STARS Community Creations

Cooking Group

Have lots of fun and laughs while learning to prepare, cook and serve healthy eating options and low calorie treats. Gain knowledge around health and hygiene and food safety. Gain confidence in learning new cooking skills and

Computer Suite

The centre has a computer suite accessible at all times. You will be able to use this to further your digital skills through support to use software programs, internet browsing, Microsoft applications or social media.

STARS Community Creations

Our Shop

The Shop in our Centre supports our work related opportunities ethos. STARS members produce items for sale and then learn to package, market and sell them.

Our Mission Statement

STARS Community Creations is a charitable organisation set up to make a difference to the lives of vulnerable adults within our community. This will be achieved through partnership with organisations who want better outcomes for vulnerable adults within BCBC.

Our Aims

Our aim is to provide a resource for people with learning disabilities and with mental health issues to gain the skills that they will need to live more independently and to move into paid or voluntary employment.

Volunteering

The Centre is staffed by DBS checked support workers and volunteers. If you would like to volunteer to support individuals who attend the centre, then please contact us for further information. Volunteering involves carrying out activities such as arts and crafts, cooking/wellbeing, going to the gym, gardening, screen printing and laser cutting all under the guidance of our staff. It's an ideal role for people who enjoy helping others to fulfil their potential.
